

Douthitt

A compact self-contained glassless exposure unit for easy, fast and quality exposures of your CTS screens.

FEATURES

- Complete Olite AL53 Tri Level 5000 Watt metal halide printing lamp
- Standard unit exposes (2) 23" x 31" or (2) 25" x 36" frames or combination of both at once
- Glassless design yields shorter exposure times and does not effect "jetted ink" image on screen
- Douthitt heavy duty 10 channel model Magic 83 combination light integrator and digital timer complete with photocell
- External exhaust fan for proper cooling and ventilation
- Easy to operate
- No exposed printing rays
- Available for any size screen
- Optional AL83 Tri Level 8000 Watt metal halide printing lamp
