

Haze Removers

1, 2, 3, 4

APPLICATIONS

Removes stains, haze, ghost images from mesh for screen recycling.

GENERAL CHARACTERISTICS

Saatichem Remove HR1

■ One part, ready-to-use liquid. Mesh safe – can be left on screen overnight.

Saatichem Remove HR2

■ One part, ready-to-use liquid. Is able to remove the toughest stains. Works in minutes.

Saatichem Remove HR3

■ One part, ready-to-use paste. Is able to remove the toughest stains. Works in minutes.

Saatichem Remove HR4

■ One part, ready-to-use paste. Mesh safe – can be left on screen overnight. Non-caustic.

DIRECTIONS FOR USE

Saatichem Remove HR1

After ink and stencil removal, apply liquid and spread evenly on both sides of screen with a stiff brush, let dry. May be left overnight only if temperature does not exceed 30°C (84°F). For higher temperatures contact time should be reduced. Rinse the screen thoroughly and follow with a high pressure wash.

Saatichem Remove HR2

After ink and stencil removal, spray or pour liquid on screen and spread with a stiff brush. Let sit for approximately 7 to 10 minutes; a longer time may weaken mesh. Rinse screen thoroughly. Follow with a pressure wash.

Saatichem Remove HR3

After ink and stencil removal, spread paste on screen with a stiff brush. Let sit for approximately 7 to 10 minutes; a longer time may weaken mesh. Rinse screen thoroughly. Follow with a pressure wash.

Saatichem Remove HR4

After ink and stencil removal, spread paste on screen with a stiff brush. Let sit for at least 7 to 10 minutes; a longer time may be needed for harsher stains. The paste will not harm mesh. Rinse screen thoroughly. Follow with a pressure wash.

Health & Safety

Before using, refer to appropriate material safety data sheets.

STORAGE

When sealed in the original container and stored in cool conditions, Saatichem products will maintain their original properties for one year from the date of production.

PACKAGING

Available in 1 and 4.5 kilogram containers. In North America available in one quart and in one, five, and fifty US gallon containers.

WARRANTY & LIMITED REMEDY

The directions, recommendations, and specifications contained in this Technical Data Sheet are meant as a guide to the use of the product and shall not bind the company. Product specifications are subject to change without notice.

The following is made in lieu of all other expressed or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose:

All Saatichem manufactured liquid products are warranted to be free of defects in materials and manufacture and to meet the specifications stated in Saatichem's applicable Product Bulletin. Saatichem will replace or refund the price of any Saatichem manufactured liquid product that does not meet this warranty within the applicable warranty period.

The remedies are exclusive. In no case shall Saatichem be liable for any other direct or indirect damage or loss, including without limitation any incidental, special, or consequential damages, or any material costs or labor charges incident to the removal or replacement of any mesh, screen, ink, substrate, finished graphic or any other item.
