

Ink Removers

1, 2, 3

APPLICATIONS

Removes ink from screens on press.

GENERAL CHARACTERISTICS

Saatichem Remove IR1

- Recommended for solvent-based inks.

Saatichem Remove IR2

- Recommended for solvent-based and UV-curable inks.

Saatichem Remove IR3

- Recommended for UV-curable and plastisol inks.

DIRECTIONS FOR USE

Rinse excess ink from screen. Apply the product to the print side of the screen. Use a non-abrasive brush to scrub both sides of the screen until the ink is liquefied. Starting from the bottom, rinse ink residue from the screen. May also be used in dip tank applications.

Health & Safety

Before using, refer to appropriate material safety data sheets.

STORAGE

When sealed in the original container and stored in cool conditions, Saatichem products will maintain their original properties for one year from the date of production.

PACKAGING

Available in one kilogram containers. In North America available in one quart and in one, five, and fifty US gallon containers.

WARRANTY & LIMITED REMEDY

The directions, recommendations, and specifications contained in this Technical Data Sheet are meant as a guide to the use of the product and shall not bind the company. Product specifications are subject to change without notice.

The following is made in lieu of all other expressed or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose:

All Saatichem manufactured liquid products are warranted to be free of defects in materials and manufacture and to meet the specifications stated in Saatichem's applicable Product Bulletin. Saatichem will replace or refund the price of any Saatichem manufactured liquid product that does not meet this warranty within the applicable warranty period.

The remedies are exclusive. In no case shall Saatichem be liable for any other direct or indirect damage or loss, including without limitation any incidental, special, or consequential damages, or any material costs or labor charges incident to the removal or replacement of any mesh, screen, ink, substrate, finished graphic or any other item.
